The Still Living was founded in 2004. After releasing two demos: Still Living (2005) and Believe (2007), and after some changes in the line-up, they released their first album. **"From Now On"**, in 2012 (independent release). In 2015 the very successful second CD "Humanity" was released (with two bonus tracks)!

And now, before the end of 2018, Ymmij will become available. Album number 3 for this powerful Brazilian melodic hard rock band. Every album has proven to be a step forward and this is no exception. The band have created a concept but wrapped it in infectious songs that will appeal to any lover of melodic hard rock.
