Legendary Dutch punkrock / psychedelic / classic rock band Cellar Dwellers are back, and they are stronger than ever! Since their establishment in 1990 things might have been turbulent at times, but now they are more determined than ever to amaze their audience with their energy and enthusiasm.

The current line up consists of:

Sven – guitar and vocals (founder of the band)  
Andy – vocals  
Sander – guitar  
Ritchie – drums  
Marcel – bass

Besides playing live on a regular base, their current plans include releasing 4 EP's with 5 songs each. Parts 1 and 2 were released independently earlier. Rock Company is proud to help the band with the distribution of these EP's and also arranged a digital release.

Part 3 is now a CD release only, but after the future release of Part 4, these 2 will storm the digital platforms as well.

### Cover art and Tracks:

1. Don't Know Dick
2. Dear Johnny
