Legendary Dutch punkrock / psychedelic / classic rock band Cellar Dwellers are back, and they are stronger than ever! Since their establishment in 1990 things might have been turbulent at times, but now they are more determined than ever to amaze their audience with their energy and enthusiasm.

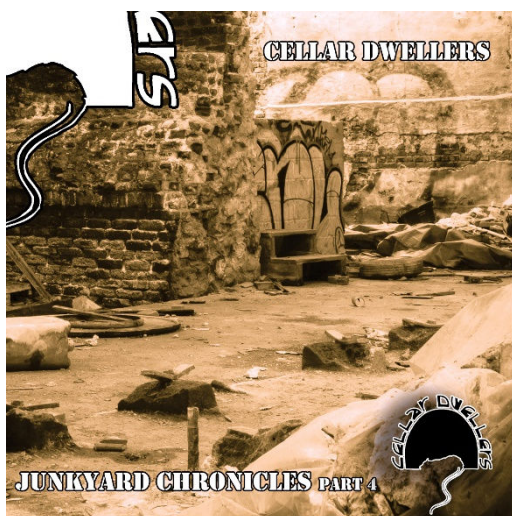

The current line up consists of:

Sven – guitar and vocals (founder of the band)
Andy – vocals
Sander – guitar
Ritchie – drums
Marcel – bass

Besides playing live on a regular base, they set out to record and release 4 EP's. Parts 1 and 2 were released independently earlier. Rock Company is proud to help the band with the distribution of these EP's and also arranged a digital release.

Part 3 was released early 2018 and after the current release of Part 4, these 2 will storm the digital platforms as well. And with part 4 the picture and the Chronicles are complete! 6 tracks this time.
