“Hypocrite” marks the 21st solo album by melodic rock multi-instrumentalist Phil Vincent. Totally combining modern production with classic heavy rock alongside melodic song writing in the vein of Winger, Dokken, and the Beatles, “Hypocrite” brings the listener back without losing touch with the present. Bolstered by lead guitarists Vince O’Regan and Peter Cox, this release should firmly cement Vincent’s place in melodic rock history as a songwriter not afraid to take chances but never losing touch with his deep rooted influences.
