From the minds of Vince O'Regan and Phil Vincent comes the next chapter in the LEGION story. "REDEMPTION" is the brand new metal masterpiece by these melodic rock titans.

Following on last year's stellar album "RISING", "REDEMPTION" takes things a step further into melodic metal. Heavy riffs, massive hooks, thundering backline, and pristine production vaults "REDEMPTION" to the top of the heap. Listen to O'Regan's shredding solos, Vincent's multilayered vocals, Gav Cooper's throbbing bass, Andy Pierce's kit abuse and last but not least, Irv Parratt on keyboards .....and more keyboards!!! Sit back and crank it up!!

Rock Company presents for your listening pleasure.....LEGION "REDEMPTION". Enjoy!
