Rock Company is very excited to present the debut album from Aeons In Solitude, a metal band from Athens, Greece, formed by vocalist and composer Alex Roussos in May 2016. It all started as a solo project, but turned into a full band in May 2018. Their sound consists of Doom/Gothic metal with progressive elements.

Their debut album, entitled "Mourning Cloak" was recorded, mixed and mastered at Fragile Studio in Athens, by Vangelis Yalamas. And this is an album that will take you by surprise! From the haunting scenery in White Witch, the epic The Innocent Abandoned to heavy album closer ... And They Lived On, the band pack a punch and no lover of inventive yet still melodic and powerful metal will be able to resist the quality on offer.
