After exploring the changes we were bound to experience in this Age Of Aquarius on their 2017 debut Dawn Of The Age Of Aquarius, songwriter and multi-instrumentalist Peter Cox and singer Nakoma Z are back with their second effort: ... Out There...

With music building on their progressive and rock music roots, yet with a healthy dose of pop melodies thrown in for good measure, the duo are back with a vengeance and deliver 10 compelling songs that discuss various UFO / Alien topics. Sometimes tongue in cheek, sometimes serious, sometimes... well find out for yourself.

With the album taking more time than originally anticipated, Peter and Nakoma Z experienced first hand that changes can come unexpectedly. These changes also opened the door for Peter to add voices and vocals. Parts of the in between storytelling were inspired by documentaries on the subject.

Age Of Aquarius:

Nakoma Z: vocals, lyrics for 1, 2, 3, 7 and 9

Peter Cox: all songs, additional vocals and voices,
all instruments and programming,
words and lyrics for 3, 4, 5, 6, 8 and 10

Recorded, mixed and mastered by Peter at Down The Road NL

Nakoma Z recorded her vocals in the USA.
