ROCK COMPANY RECORDS is excited to announce the release of the new Tragik album "Ultima Ratio". This is the tenth album for the band and the fourth on our label!

"Ultima Ratio" continues seamlessly where the highly successful previous album Faith Healer (2020) left off. Driving hard rock tracks, filled to the brim with class melodies, powerful riffs and shredding solos. Phil Vincent, Damian D'Ercole and Dirk Phillips just refuse to take it easy and keep firing on all cylinders.

Assisted on lead guitars by Vince O'Regan and William Roux, "Ultima Ratio" will please every serious fan.

Here's what a previous review says:

“You would think after so many albums you'd either be in a comfortable musical rut, repeating the same music each time or be frantically trying any musical genre to find a song writing inspiration. Not so for Phil Vincent, who again proves he is a master at creating hook filled, immensely enjoyable melodic hard rock with plenty of guitar solos! “
