After 30+ years and the amazing reception of their 2018 Different album, the rejuvenated band did not need 9 years this time... No, Chinawhite have wasted little time and deliver another set of crunching rock tracks. From the powerful riffs of opener No Perfect World, to the emotional Somehow, or to the instrumental prowess in tracks like the instrumental Evolution (?) or Found, the band are in top form and manage to avoid an all too formulaic sounding album. This is as fresh and exciting as rock still can be!

Sander Stappers - bass
Phil Vincent - lead and harmony vocals
Bart Fleuren - drums

Recorded at Down The Road studio, except vocals at The Musik Room (USA).
