Mike Walsh & Five to Life is the creation of Mike Walsh. Best known for his work with his melodic rock band, Departure (as well as Message and many Tribute albums), Walsh says he has taken a different approach to his music on this record, a more earthy, natural sound. Walsh calls it a labor of love.

The songs embody thoughts, feelings, emotions, and relationships; “Face the Music” will stir your heart and capture your imagination. Walsh, reuniting with brilliant musicians, says the new record delivers a message of fine songwriting and exemplary musicianship.

In Short “Face the Music” is destined to become a part of any music lover’s collection.
