Album number 9 from this hard rock outfit solidifies their place in the melodic rock community with heavy opener "Trial By Fire" paving the way for the melodic onslaught that's about to come. Epic track Synergy (Parts I & II) shows the light and dark to great effect. "Fighting to Survive" crunches its way into metal territory and closing opus "The Broken Heart" mixes prog, melodic rock, and metal to sheer delight. D'Ercole "Mass Formation" is the real deal.
