Rock Company is proud to introduce Starscream, a young and coming Dutch hard rock band with one foot in the rocking Eighties and one in today. You can expect melodic songs, energetic grooves, powerful vocals (Ray Gillen anyone?) as well as flaming guitar solos from this trio. All in the vein of Helloween, Van Halen or DIO. With a dash of Led Zeppelin and Black Sabbath for good measure. This debut EP consists of 6 explosive tracks that will leave you wanting more.

So put on those teared jeans, wear your favourite band shirt, let it all go and ROCK!!
