Following in on the footsteps of their highly praised debut album *The Brotherhood*, Trigger Mafia return with a new EP, *When The Levee Breaks*, to let you all know they are still alive and kicking.

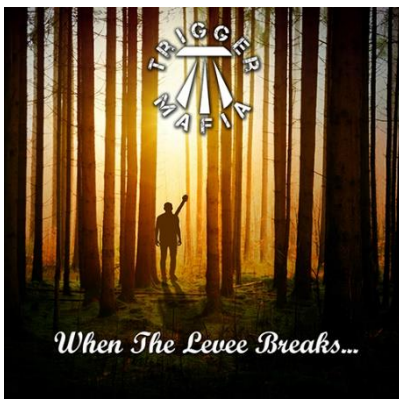

Their new single *BARNBURNER (Hockey Song)* is the quintessential hard driving (ice) hockey anthem! 3 minutes of pure energetic game time motivation that will ramp up the team and put the audience into a frenzy. Cam Moon, radio announcer for the Edmonton Oilers, best describes the song – “Barnburner’ intertwines hockey and music with magical precision. As Dickie Dunn said in ‘Slapshot’, it captures the spirit of the thing.” King Richard Brodeur, Vancouver Canucks star goalie and Stanley cup finalist describes how he felt after the first listen – “That’s a cool song! Love it!”

Additional you will find the inspiring *Someone To Lean On* and the rocking *Here Comes The Devil*, as well as an acoustic rendition of their fan favourite *Find A Better Way* from the debut. There’s no doubt the band are here to win you over!
